## What is Westfield in Bloom?

Westfield in Bloom is a volunteer committee created by the Westfield Park and Recreation Department. Our purpose is to instill a greater sense of civic pride and enhance the quality of life in the community through education and community involvement.

The whole premise of Westfield In Bloom is based on a competition called America In Bloom.

<http://www.americainbloom.org/>

“America in Bloom promotes nationwide beautification through education and community involvement by encouraging the use of flowers, plants, trees, and other environmental and lifestyle enhancements.”

We are hoping to inspire our entire City through Westfield In Bloom in effort to compete in the America In Bloom national competition in subsequent years.
